* * *

WHEREAS, there is no money in the treasury of Kankakee County, Illinois (the "County"), to defray the necessary expenses of the County; and

WHEREAS, due to the shutdown of the Federal government from December 22, 2018 through January 25, 2019, as well as the potential for a further Federal government shutdown, the County expects a delay in receiving Federal moneys due the County; and

WHEREAS, the County Board (the "Board") of the County deems it advisable, necessary and for the best interests of the County that funds be provided to meet the necessary expenses of the County and for that purpose, warrants be issued and drawn against and in anticipation of the collection of the taxes heretofore levied for each of corporate and tort purposes by the County for the year 2018; and

WHEREAS, the Counties Code (the "Counties Code") and the Local Government Debt Reform Act of the State of Illinois (the "Debt Reform Act") each as amended, authorize the Board to issue such warrants up to 85% of the total amount of the taxes so levied for each purpose, less actual collections thereof;

NOW, THEREFORE, Be It Ordained by the County Board of Kankakee County, Illinois, as follows:

Definitions. For all purposes of this Ordinance, except as otherwise expressly provided or unless the context otherwise requires, the terms defined in this Section shall have the meanings set forth below, and shall include the plural as well as the singular.

"Act" shall mean the Counties Code and the Debt Reform Act.

"Board" shall mean the County Board of the County.

"County" shall mean Kankakee County, Illinois.

"Ordinance" shall mean this Ordinance as adopted by the Board.

"Treasurer" shall mean the Treasurer who receives the taxes of the County.

"Warrant Register" shall mean the books of the County kept by the Warrant Registrar to evidence the registration and transfer of the Warrants.

"Warrant Registrar" shall mean the Treasurer or a duly designated successor thereto.

"Warrants" shall mean the tax anticipation warrants of the County authorized to be issued under this Ordinance.

Authorization. Tax anticipation warrants of the County are hereby authorized to be issued, sold and delivered, in one or more series, pursuant to the provisions of the Act, to defray the necessary expenses of the County incurred for corporate purposes and tort purposes and drawn against and in anticipation of the collection of the taxes levied for the year 2018 and payable in the year 2019 for such purposes. The Warrants shall each be designated "Corporate Purpose Anticipation Warrant 2019" (the "*Corporate Warrants*") and "Tort Purpose Tax Anticipation Warrant 2019" (the "*Tort Warrants*," and, collectively, the "*Warrants*"), shall be dated the date of their delivery and shall also bear the date of authentication. The Warrants shall be in fully registered form and shall be of the denomination of \$5,000 each or authorized integral multiples thereof. The Corporate Warrants shall be issued in an amount not to exceed \$4,126,750; the Tort Warrants shall be issued in an amount not to exceed \$3,153,500; and, collectively, the Warrants shall be issued in a maximum aggregate amount not to exceed \$7,280,250. The Warrants shall bear interest at a rate not to exceed 3.50% per annum.

The Warrants shall be in substantially the forms presented to the Board and available at this meeting.

Interest; Payment Provisions. Each Warrant shall bear interest, payable only out of the taxes against which such Warrant is drawn, at the rate aforesaid (computed upon the basis of a 360-day year of twelve 30-day months) from the date thereof until paid. The principal of and interest on the Warrants shall be payable upon presentation in lawful money of the United States of America at the principal office of the Warrant Registrar in Kankakee, Illinois. The principal of the Warrants issued for each of the purposes set forth above are payable as set forth in a warrant order (the "Warrant Order").

Security. The principal and interest on the Warrants shall be payable from the collection of the taxes levied for corporate and tort purposes for the year 2018 and payable in the year 2019. Such taxes so levied are hereby assigned and pledged to the payment of the applicable Warrants so issued in anticipation of such taxes; and such taxes, when collected, shall be set apart and held for the payment of the corresponding Warrants.

Execution. The Warrants shall be executed on behalf of the County by the Chairman and County Clerk of the Board and shall be registered, numbered, and countersigned by the Treasurer. In case any officer whose signature shall appear on any Warrant shall cease to be such officer before the delivery of such Warrant, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Warrants shall have thereon a certificate of authentication duly executed by the Warrant Registrar as authenticating agent of the County and showing the date of authentication. No Warrant shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Warrant Registrar by manual signature, and such certificate of authentication upon any such Warrant shall be conclusive evidence that such Warrant has been authenticated and delivered under this Ordinance. The certificate of authentication on any Warrant shall be

deemed to have been executed by the Warrant Registrar if signed by an authorized officer of the Warrant Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Warrants issued hereunder.

Registration of Warrants; Persons Treated as Owners. The County shall cause the Warrant Register to be kept at the principal office of the Warrant Registrar. The County is authorized to prepare, and the County or the Warrant Registrar shall keep custody of, multiple Warrant blanks for use in the transfer and exchange of Warrants.

Upon surrender for transfer or exchange of any Warrant at the principal office of the Warrant Registrar duly endorsed by, or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Warrant Registrar and duly executed by, the registered owner or an attorney for such owner duly authorized in writing, the County shall execute, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the named registered owner, a new fully registered Warrant or Warrants of the same tenor, bearing the same rate of interest, of authorized denominations, in the same aggregate principal amount, and having assigned to such warrant or warrants the same order of issuance numbers (the "R-1," and so on, numbers), one for each \$5,000 portion, assigned as requested by the registered owner or, if no request is made, by the Warrant Registrar, and subject only that Warrants of the denomination greater than \$5,000 must bear consecutive order of issuance numbers. A new registration number shall be assigned to each such Warrant.

The execution by the County of any fully registered Warrant shall constitute full and due authorization of such Warrant; and the Warrant Registrar shall thereby be authorized to date and deliver such Warrant; provided, however, the principal amount of outstanding Warrants delivered by the Warrant Registrar shall not exceed the then authorized and sold principal amount of Warrants less Warrants previously paid.

The person in whose name any Warrant shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Warrant shall be made only to or upon the order of the registered owner thereof or a legal representative of such owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Warrant to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Warrants, but the County or the Warrant Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Warrants except in the case of the issuance of a Warrant or Warrants for the unredeemed portion of a Warrant surrendered for redemption.

The Warrant Registrar shall not be required to transfer or exchange any Warrant during the period beginning at the close of business at least 15 days prior to maturity and ending on the maturity date of the Warrant.

Sale of Warrants. The Warrants shall be executed by the officials of the County, as hereinabove provided, as soon as may be after this Ordinance becomes effective, and shall be deposited with the Treasurer and, after due authentication by the Warrant Registrar, shall be

delivered by said Treasurer to the purchasers thereof as set forth in the Warrant Order (collectively, the "*Purchasers*"). The contracts for the sale of the Warrants (the "*Purchase Contracts*") are hereby determined to be in the best interests of the County and no person holding any office of the County, either by election or appointment, is in any manner financially interested directly in his own name or indirectly in the name of any other person, association, trust, or corporation, in the Purchase Contracts.

Use of Proceeds; Property Tax Extension Limitation Law. The proceeds of the Warrants shall be used to provide funds for the payment of necessary expenses incurred for corporate purposes and tort purposes, and it is hereby certified that the Warrants constitute the only series of warrants or notes issued to provide funds for the payment of necessary expenses for such purposes for the year 2018 by the County pursuant to the provisions of the Act.

The County acknowledges that it is subject to the requirements of the Property Tax Extension Limitation Law of the State of Illinois, as amended (the "*Tax Limitation Law*"). If the County Clerk of the County of Kankakee, Illinois, is required to reduce the County's aggregate extension (as defined in the Tax Limitation Law) for the year 2018 in accordance with the Tax Limitation Law, the County agrees that, in accordance with the Tax Limitation Law, it will direct said County Clerk to not reduce the 2018 extension for the corporate funds or the tort funds below the amounts necessary to pay the principal of and interest on the Warrants.

Covenants. The County covenants that the amount of the Warrants plus available amounts in the County's working cash fund will not exceed the maximum cumulative cash flow deficit in each of the corporate and tort funds for the term during which the Warrants will be outstanding plus an average maintained reserve. During the period the subject warrants are outstanding, no additional tax anticipation warrants may be issued by the County without the consent of the Purchasers.

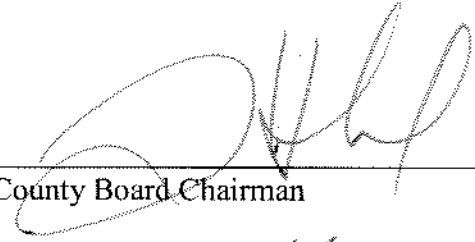

Further Acts. All acts and doings of the officials of the County which are in conformity with the purposes and intent of this Ordinance are hereby in all respects ratified, approved, and confirmed.

Severability. The provisions of this Ordinance are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

Repealer. All ordinances, orders, or parts thereof in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

Effective Date. This Ordinance shall be in full force and effect immediately upon its passage.

Adopted: February 11, 2019.
